Introducing CBC's Fund Development Team

The Fund Development Team is one of four sub-committees under the Executive Development Team (EDT) created for the primary purpose of fundraising.

The committee's goal is to engage members of CBC in fundraising activities that will create funding to offset the huge cost that is associated with moving forward towards our new edifice. With the recent announcement of the Brick Campaign and the ongoing Tribal giving, the EDT Fund Development Team has decided to focus mainly on just those two activities. These projects will give **EVERYONE** an opportunity to participate without feeling pressured to come up with or create an activity. In the meantime, the team encourages those ministries that already have fundraising activities planned to carry out their projects. The committee is available to assist any ministry with their activity.

Pastor Smith recently stated, "If everyone gives toward the Tribal giving and pay tithes, the need for fundraising will be eliminated." As a congregation we are working toward that goal.

The Fund Development Team has several other fundraising efforts in the works that are not necessarily "church events", however the congregation will have an opportunity to participate and thereby help CBC reach its goal.

Sharon Watkins serves as chair of this team with Minister Tim Lane serving as vice-chair. Rev. Earl Bray, Minister Bomani Tyehimba, Trustee Frank Byndon, Doris Carter, Camecia Davis, Louise Mapp, Janice Wilkins, Patricia Williams and the newest member Dhana Donaldson, all work together to make this team successful.

Fundraising efforts will continue until we walk through the door of our new edifice! Continue to pray for this group of "willing workers" giving of their time and expertise to move this building project forward.

Message from the First Lady

“Working Together”

My husband and family tease me a lot about sports because sometimes I get confused about the different games and players. But, the one thing I know is the importance of team work. Working together reminds me of being a team. Not only are we a church family, I believe we are a team. Let me use each letter to show the importance of being a team.

The **T** represents “togetherness”. There is no I in team. That is a popular saying, meaning that, when we are on a team we can’t focus on our self but rather focus on the whole team. A. J. Green, my favorite Bengals player, can’t win all by himself. He needs the team and the team needs him. We all need each other. I like the way Ephesians 4:16 says it, “From Him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work”.

The **E** represents “encouragement”. Everyone needs encouragement. Sometimes our team members may not be doing their best. It could be because of family problems, unemployment or they get caught up in sin. They don’t need or want our judgment or our gossiping tongues. They need our encouragement. What made Barnabas so valuable to the early church was that he was an encourager. He was called the “Son of Encouragement” in Acts 4:36. I love being an encourager.

The **A** represents “accomplishment”. Every team is trying to accomplish something; to win the Super Bowl (Go Bengals!), NBA championship, World Series or a high school debate. As a church family, what are we trying to accomplish? Whether it is to fulfill the Great Commission or develop our property in Bond Hill, we have to work together as a team to accomplish our goals.

And, lastly, the **M** represents “more”. We can do more together than we can individually. A team is **Together Everyone Achieves More**. So, it doesn’t matter who you are or what your income is, our Corinthian team needs you.

Go Team!

~ *First Lady Connie Smith*

What’s Happening Now.....

Corinthian Baptist Church Fund Development Team “Buy a Brick / Pave a Stone”

Invest in your church while leaving a legacy for you and your family by participating in the “Buy a Brick/Pave a Stone” fundraiser.

The brick or stone inscription can be of your choice. It can include your family’s name, honor someone or memorialize a loved one. Each brick, 4”x8” in size, is priced at \$100.00. The paving stone is 12”x12” in size and priced at \$300.00. Your personalized stone will be displayed outside our new facility in Bond Hill. CBC is on the move, so let’s continue making each step count towards a brighter future and a greater tomorrow.

For additional information, contact Minister Timothy Lane at 513-221-7351 or via e-mail - info@cbc-com.

Nurses Guild Fundraiser “Monogrammed Towels”

Dress up your home with lovely monogrammed towels. There are three different ways to order and several colors to choose from.

For more details, please see any member of the Adult Nurses Guild.

Did You Know? *Origin of the Name Bond Hill*

Bond Hill was originally founded in 1871 as a railroad suburb and temperance community in northeastern Millcreek Township, in Hamilton County, Ohio, by the Cooperative Land and Building Association. According to a number of sources, long before the Cooperative officially named the community Bond Hill, the area known as Bond’s Hill was already familiar to local residents of northeastern Millcreek Township. The exact origin of the name Bond Hill remains something of a mystery, because the earliest records are unclear and contradictory. Newspaper articles written in 1871 reported recollections from Bond Hill’s oldest residents that Bond’s Hill was the name of the area in the 1830s. Henry and Kate Ford, early residents of the area, said that Bond Hill got its name based on where it was situated, on top of Colonel Bond’s hill. George E. Patmor, a young boy in the 1880’s, said the name was first given by visitors to a sawmill that was owned and operated by a man named Bond. Patmor also said that in those days the residents of St. Bernard and Cincinnati would use a footpath through the woods as a shortcut to access Bond’s sawmill to work or to do business. It then became a common saying that they were going up on Bond Hill, and hence the name remained.

Communications Team Mission Statement

The mission of the Executive Development Team (EDT) Communications team is to maintain a positive and transparent flow of communication between the EDT and CBC congregation ensuring that all updates are provided in a clear, concise and factual manner. Stir-up excitement among the congregation while engaging them to become actively involved in the building effort.
